

# EDUCATION IN DUBAI

Innovative education focused on personal development and success in life

## Academic Year at an international School

*For Grades 5 to 12*

### About the International School

- Founded in 2001, fully updated in 2021;
- English-speaking multicultural environment: over 80 nationalities, around 3,000 students;
- American curriculum accredited by NEASC and KHDA;
- Internationally recognized diploma — admission to universities in the USA, Europe, Canada, UAE, and more;
- Unique educational philosophy — the 3rd Mentor Parenting system, fostering leadership and personal development;
- Modern, secure campus with 24/7 security and video surveillance;
- Support for international students, including a preparatory language program;
- Experienced, licensed native-speaking teachers.

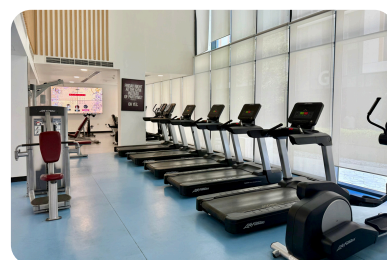

### Why Dubai?

- ☀ High-quality international education;
- ☀ Safe and comfortable environment for living and learning;
- ☀ Global opportunities for growth and future career;
- ☀ English-speaking multicultural community and valuable international experience.

## Unique Educational System

- Individual Approach and Support from Third Parents™ – experienced mentors and daily guidance
- Structured Daily Routine: academics, sports, personal growth, and rest
- Development of Key Skills: self-discipline, time management, responsibility
- Focus on Character and Life Skills
- Environment that Builds Confidence, Independence, and Identity
- Health & Wellness: balanced nutrition, physical activity, and healthy sleep routine

## Academic Program

### All subjects are taught in English.

For students with a basic level of English, preparatory language courses are available to help improve fluency and smoothly integrate into the academic process.

### Core Subjects:

- English Language
- Mathematics
- Biology, Physics, Chemistry
- Social Studies
- Computer Science
- Art & Design
- Arabic Language (mandatory national subject)
- Additional Languages (optional)
- Sports, Creativity, and Extracurricular Activities

Small group classes with experienced teachers

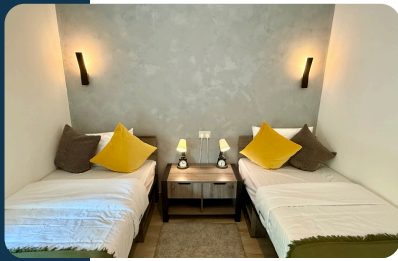

Timetable: 8:30 AM – 3:00 PM (Monday to Thursday), until 12:00 PM on Fridays

Elective subjects and in-depth academic support available

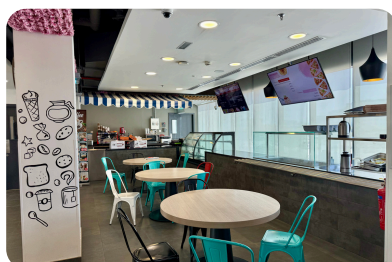

## Student Life & Wellbeing

- Accommodation in a modern campus in Dubai Academic City (1–2-person rooms, 2000+ capacity)
- Full board: three nutritious meals daily + kitchen lounges for cooking practice
- State-of-the-art classrooms, libraries, studios, movie and game rooms
- Sports facilities, cultural events, and weekend excursions
- Laundry and housekeeping to build independence and life skills
- Personal growth program: healthy meals, physical activity, rest, and proper sleep
- Optional: Professional football program ⚽

## Safety & Student Support

- Secure, gated campus with 24/7 surveillance and on-site security
- Daily supervision and guidance from dedicated mentors and staff
- Ongoing communication with parents
- On-campus medical center with qualified healthcare professional

## Graduation Benefits

- An international diploma recognized worldwide
- For high school students (Grades 9–12) — support with admission to top universities and recommendation letters
- For younger students — a strong academic and social foundation
- Fluency in English and development of soft skills: communication, responsibility, leadership
- Global connections and unique experience
